

To access the Prosperity Hub Telegram Channel, you will need to download and install the free Telegram Messaging App to your computer, smart phone or tablet.

How to get and use Telegram to join the Prosperity Hub Telegram Channel:

1. Please visit the Telegram app download page here: <https://telegram.org/apps> (You can install telegram on Windows, MacOS, Android, iPhone and iPad.)
2. Click the link to download the appropriate app and follow the on-screen instructions to complete the installation.
3. After you install the app on your device or computer, you will be guided through the process of creating an account.
4. After you create your account, return to this page and [click here to join the Prosperity Hub Telegram Channel](#).

When signing up for Telegram, you will be prompted to enter a phone # to verify your account. You can use Telegram without a cell phone number simply by using a landline phone#. Details can be found [in this video](#).
